BASIC COUNTY TAX RATE SLASHED AT HECTIC HEARING

The Alameda County Board of Supervisors pared their proposed basic tax rate for their 1950-51 budget to an increase of 16 cents from their original request for 40 cents after a hectic session held Tuesday in the courthouse in Oakland.

The slash was made as an economy move by the board before a protest meeting in which property groups, including the Alameda County Taxpayers Association, joined in demanding curtailment of the proposed building program for the coming year.

1½ MILLION SLASH

As a result of the session the supervisors cut proposed expenditures of $1,552,373 from their budget, sacrificing $1,000,000 earmarked for the construction of a Hall of Records adjacent to the court house.

The supervisors did, however, hang onto their proposed expenditure of $200,000 for a sheriff's substation between Niles and Centerville.

Also sliced off their tentative expenditure for the coming year was $377,373 tabbed welfare needs, $150,000 for special elections, and $25,000 of the $50,000 budget for the new county administrator, Edwin Howell.

At the conclusion of the session the new score sheet indicated that the 1950-51 basic tax rate would probably be $2.04 against an original estimate of $2.28. The last fiscal year tax was $1.88.

Harry Bartell, chairman of the board, and Clifford Wixson of Oakland were overridden by Supervisors Chester Stanley, George Janssen and Thomas Caldecott on their demand for the costly Hall of Records building.

Stanley pointed out that he did not deem it advisable this year to earmark the $1,000,00 for the Hall of Records building due to the heavy demand from other sources.

"We know that considerable more than the $1,000,000 will be

GROWERS FEARFUL OF LABOR SHORTAGE

Tomato growers of the township expressed grave concern this week over the possibility of a shortage of harvesters when the picking season opens next month.

Growers reported that the industrial plants and war work have called back many of the city residents who had previously been available as fruit pickers. It also was learned that many of the truck operators who hauled the workers from the city to the fields here have withdrawn their trucks from that business to utilize them in picking up scrap metal.

The first light picking of the tomato crop is expected to get underway the first week of September but the heavy peak harvest is not expected to be reached here until the third or fourth week of the month.

1,000 HOME TRACT AT MISSION SAN JOSE DEDICATED TUESDAY

Washington Township's newest and largest housing tract, Mission Gardens, was formally dedicated at ground-breaking ceremonies held at Mission San Jose Tuesday.

The outdoor ceremony was held on Bryant Street where Santa Maria Street is to be opened as an entrance into the tract.

LeRoy Broun, Centerville, served as master of ceremonies and, following an address of welcome to the more than 200 civic leaders present, introduced special guests. Included were representatives from the office of the county superintendent of schools, sheriff's department, Judge E. A. Quaresma of Niles, and Dallas Paul, president of the Township Chamber of Commerce.

LUNCHEON SERVED

The members of the Dutra and Gallegos families, from whom the ground for the new tract was purchased and who have owned the land for almost a century, participated in cutting the ribbon to start the project on its way.

An invitational luncheon was held immediately following the ceremony at the I.D.E.S. Hall where Louis D. Becker, M. J. Marquis and Jerome Becker of Atlas Developers, builders of the tract, and E. C. Parks, Niles, local representative, served as hosts, and made short talks.

CHAMBERS REPRESENTED

Harold Speetzen, executive secretary of the Washington Township Chamber of Commerce, delivered the main address, tracing the history of Mission San Jose from its founding in 1797 by the Padres to its new stride in growth which, in addition to the 1,000 homes, will give the community its own modern shopping center, recreation area and school site.

Members of the Chambers of Commerce of surrounding communities who turned out to honor the new development were introduced during the luncheon. The group was also entertained with vocal selections by Mr. Speetzen.

'HARVEST' DRIED COTS IN IRVINGTON

A volunteer crew spent several hours Wednesday picking apricots in the center of the street in the heart of Irvington business district.

The fruit was "planted" there by a truck which lost several dozen boxes of dried apricots off its load as it rounded the turn at the Edw. L. Rose Store.

The boxes broke to bits and strewed the fruit along the center of the highway for half a block and piled it high around the monument in the center of the street.

A. R. Fontes, Centerville, owner of the fruit, said it was enroute to a San Jose food company. It was being transported by the Pine Trucking Company of Niles.

SOFTBALL SEASON DRAWS TO CLOSE; BENEFIT SCHEDULED

The turbulent '1950 season of the Washington Township Softball Association will grind to a halt next week.

Only teams remaining in the Shaunessy playoff for the President's Trophy are Wedgewood and American Forge, B League contenders. Battling for a 3-out-of-5 decision, Wedgewood now holds a two to one edge over the Forgemen and needs but one more victory to cinch the cup.

No games are scheduled for tonight (Friday) but the two teams will renew their rivalry on Monday evening and again on Wednesday evening, if necessary.

Play in the A league closed on a discordant note with two of the four teams withdrawing from play.

The Pacific States Steel club dropped from the league prior to the final week of the regular season, and Central Chevrolet refused

(Continued on page 8)

BENEFIT GAME

J. R. Nunes, president of the Washington Township Softball Association, announced yesterday that a benefit game for Ralph Brown, Wedgewood player who suffered a broken leg in Monday's game, will be held Friday, September 1.

The American Forge and the Wedgewood teams will play on that date with gate receipts to be given to Brown.

Included on the evening's program will be the presentation of the playoff trophies to the A and B League winners by President Nunes.

FREED OF BLAME IN HIGHWAY DEATH

A manslaughter charge against Herman D. Silacci, Morgan Hill truck driver, was dismissed by Judge Allen G. Norris in Centerville Justice Court last Friday afternoon.

Silacci was the driver of the truck involved in the accident near Warm Springs on April 27 in which Mrs. Marie Gates of Los Gatos lost her life. The Gates machine was crushed by the load of large pipe which rolled from Silacci's truck.

SCHOOL OPENING DELAYED AT DECOTO

The Board of Trustees of the Decoto Elementary School District voted Wednesday evening to delay the opening of both schools in the district one week, until Monday, September 11.

The week's delay in opening was agreed upon in order to allow sufficient time for installation and completion of yard, water, gas, sewer and roadway facilities at the new school on Whipple Road.

L. W. Musick, district superintendent, said yesterday that all kindergarten pupils will enroll at the old school on Sixth and H Streets. The new school will accomodate all sixth, seventh and eighth grade students, in addition to two fourth grade and fifth grade classes and one kindergarten group.

The old school will provide for one kindergarten class, three first grade classes, the second and third grades, and the fourth and fifth graders living south of Railroad Avenue.

The faculty meeting will be held as scheduled at 9 a.m., Friday, September 1.

EVENING SCHOOL WILL OPEN HERE ON SEPTEMBER 18

Washington Evening School, which topped all enrollment records last year with more than 1,000 local persons attending the evening classes at Washington Union High School, will open its 1950-51 term on September 18.

Principal Warren Gravestock said this week that the number of classes to be offered during the coming term will probably exceed the 30 courses offered last year.

REGISTRATION SEPT. 11

Registration will open on Monday, September 11, and continue throughout the week with the regular 7 to 9 p.m. classes getting under way the following Monday.

One class, for apprentice carpenters, will begin sessions one week earlier, on September 11.

In cooperation with the statewide emergency disaster program now being outlined by state and county officials, the evening school will feature classes in home nursing and first aid, Gravestock revealed.

He said that the classes would be offered in as many communities as the minimum of 15 trainees could be enrolled. "We are particularly anxious to enroll both teachers and trainees for these courses," he added.

ONE NEW COURSE

One new course, upholstery, will be added to the list of classes at the opening sessions, with George Reeves as instructor.

Categories covered by the courses offered this year are commercial, standard high school subjects, industrial courses, arts and crafts, health and physical education, homemaking and the popular Forum.

MORE VOLUNTEER POLICE NEEDED

Additional volunteers are needed in this area to serve as special sheriff's deputies, it was reported this week.

The reserve force is to be trained and ready for emergency and disaster policing and civilian defense purposes.

A training program will be set up by Sheriff Jack Gleason as soon as an adequate number of volunteers from the unincorporated areas have offered their services.

The training program and emergency duties of the reserve police squad will conform with the civilian defense plans now being mapped for the entire state.

Persons from this area willing to serve on the volunteer force have been asked to register with any of the regular sheriff's deputies or at the Niles or Centerville Justice Courts.

Applications will not be accepted from men subject to call to the military service, either by draft or as members of the reserves.

$270,000 for Road Work Slated Here

The 1950-51 Alameda County budget, if passed by the Board of Supervisors this month, will carry road improvements of about $270,000 for Washington Township, Wallace Boggs, county surveyor, told the members of the Niles Rotary Club at their luncheon meeting yesterday.

Named as some of the important projects which are planned for the next fiscal year are the reconstruction of a portion of the Alvarado-Niles Road, which. according to Boggs, will undoubtedly be a feeder connection to the freeway from Niles to near Alvarado, and the reconstruction of Clarke Drive near Niles.

Not included in the budgeted county work is the $100,000 now being spent on the Marsh Road, which is a Federal Aid secondary project.

Other projects under consideration are a series of new railway crossing signals or improved conditions at crossings on both the Western Pacific and the Southern Pacific railways. According to Boggs, $23,000 is set up in the budget for this type of work.

"The county is engaged in quite an ambitious program of highway development," Boggs stated. "The funds for such a program come entirely from highway users fund revenues. These funds are used to maintain the Niles Corporation Yard.

"Niles has been the center of operation for the County Road Department ever since it was inaugurated in the late 1920's. With these crews we are doing our best to give the rural area as good highways as is possible to obtain.

"Some counties seem to get along very nicely with gravel or dirt roads, but even in our mountain areas our Alameda County citizens demand dust-proof highways. We haven't entirely reached that ideal but we are doing our best to accomplish it," Boggs said.

Referring to the much discussed Eastshore Freeway, Boggs stated: "While freeway agreements have been entered into with the County of Alameda for other sections of this highway to the south, no detailed plans are in existence between Mt. Eden and Warm Springs. At the Warm Springs end plans are under way and budget allocations have been made for work from the vicinity of Warm Springs to the southern Alameda County line.

"Many local roads added to these roads will make up a total of $2,000,000 in round numbers from capital outlay for roads and bridges in the unincorporated areas of Alameda County in the next fiscal year, if wartime restrictions do not make such work impossible," Boggs concluded.

County Supervisor Chester E. Stanley was also a guest of the club and was introduced by L. R. Batman, program chairman for the day.

CENTERVILLE WILL STUDY ZONING PLAN

The Centerville Chamber of Commerce, which has mulled over the possibility of zoning their community for the past two years, took definite action in that direction at their luncheon meeting Wednesday.

Colonel Eugene Manning was named chairman of the zoning committee by President Edgar Van Scoy, to be assisted by Lee Williams and Judge Allen G. Norris. Van Scoy also asked the assistance of each of the members of the Chamber to bring the proposal before the property owners of the community at the earliest possible date.

The Chamber first discussed the proposal of zoning more than two years ago and John Thomas, engineer for the Alameda County Planning Commission, was invited to an evening meeting and asked to prepare a tentative zoning map of the area. No further action was taken by the Chamber.

At Wednesday's meeting Secretary Manning was asked to write to Thomas to determine if the map has been prepared and to arrange the date for a public meeting.

SPECIAL SESSION MAY SPEED AID TO NEWARK SCHOOL

The Board of Trustees of the Newark Elementary School expressed hope this week that the special session of the State Legislature, called for September 20 by Governor Warren, may enable them to obtain the necessary state funds to complete their school building program in the near future.

The Newark school, with half of its new plant completed, has been temporarily stymied in further construction by the recent decision by the attorney general that the $250,000,000 bond issue, voted last year for aid to schools, must be doled out on a $5,000,000 per month basis.

As the result of this ruling the local trustees had lost hope of being able to continue their construction program this year.

SCHOOL AID URGENT

In announcing the special session the Governor indicated that he regarded the school construction program as the gravest present urgency.

He stated, "The construction program must continue without interruption until there are enough classrooms for all of California's school children.

"The attorney general has decided that allocations to the local school districts must be limited to $5,000,000 a month. If this is the legal effect of the present law, it must be changed immediately to permit uninterrupted construction until the job is done."

CONSTRUCTION APPROVED

The Division of School House Planning has approved the construction of the additional seven classrooms, a combination auditorium-cafeteria, teachers' room, storeroom and toilets at the Newark school. However, the trustees have been informed by the finance department that their priority is not high enough to grant them immediate aid under the system of distribution of funds now utilized.

ARMY AIR FORCE CALLS MANUEL PINE OF NILES

Manuel J. Pine of Niles was recalled to active duty with the Army Air Force last Monday.

Pine, who is a sergeant, is one of many air reservists recalled to active duty. He has been assigned to Hamilton Air Force Base, Hamilton Field.

NEW STORE OWNERS AT WARM SPRINGS

Mr. and Mrs. Leland Steinmetz of Warm Springs have announced the sale of their S & F Grocery, at the corner of Railroad Avenue and the San Jose Highway in Warm Springs, to Mr. and Mrs. Louis Rodrigues.

The new owners are from Sunnyvale but are well known in Washington Township. Mr. Rodrigues is formerly from Decoto and his wife is the foster daughter of Mr. and Mrs. John Souza of Warm Springs.

Mr. Souza is assisting the couple in redecorating and remodeling the store building and living quarters.

Mr. Rodrigues stated this week that the name of the store will be changed to Warm Springs Store and will continue to handle a full line of groceries, meats, general merchandise, beer and wine. The store will be open daily from 7:30 a.m. until 7 p.m. and from 9 a.m. to 12 noon on Sundays.

California has a greater diversity of natural economic resources than most of the principal European nations.

NILES BUILDING HAS FACE LIFTED

The building which adjoins the Niles Theater is having its face lifted.

Owner Bill Helm said that in about two weeks the building, which houses the Henry Miller Cleaners and Gee Dee Dress Shop, will sport a two-tone painted stucco front.

Workmen erected scaffolding in front of the place early this week, and removed most of the rustic wooden decoration which has been a part of the building since it was built.

A small, little known group of Havasupai Indians reside at the bottom of Cataract Canyon in the Grand Canyon.

HIGH SCHOOL ACCEPTS 73-PASSENGER BUS

A new 73-passenger bus, largest ever operated by Washington Union High School, was added to the fleet of buses here Wednesday.

The new Gillig bus, mounted on a White chassis and engine, increases the school's fleet of buses used to transport students to nine.

FOLSOM EAGLES BEAT MERCHANTS

The Irvington Merchants dropped a hot contest with the Folsom Eagles at the Folsom Prison last Sunday afternoon, 9 to 5.

It wasn't the Eagles' game which made it so hot for the local club; it was the weather. The mercury was at 110 degrees and still climbing when Merchant Catcher Harold Alameda began to see three baseballs coming his way every time relief pitcher Irving Alameda wound up and let go. So the game was called in the sixth inning.

The prisoners got nine hits and seven runs when they hit just about every ball that starting pitcher Lynch threw at them in the first inning.

Although the local club made three home runs, and held their own after the first inning, the highlight of the game was the performance of Irving Alameda who pitched the ball seven times in the last moments of the game and struck out two batters.

"Never before a savings plan like this!"

BANK of AMERICA Life-Insured SAVINGS ACCOUNT

Follow this plan and get free life insurance to protect your savings goal...no medical examination!

Read these questions and answers— Then start your account NOW!

How does a Bank of America Life-Insured Savings Account work? The plan provides *double protection*...you have not only a savings account in the safest of all places, the bank...but when you open your account you designate a beneficiary—wife, husband, child or anyone else—and, so long as you continue to make your payments on time, you have the extra security of life insurance protection. Set your savings goal—$100, $250, $500, $750, $1000. Save toward your goal over a period of 50 months. The amounts are shown in the chart. You'll find a plan that fits your purse.

MONTHLY PAYMENT	SAVINGS GOAL
$ 2	$ 100
5	250
10	500
15	750
20	1000

How much life insurance protection is provided? The amount of life insurance protection you have at all times your account is in good standing is the difference between your accumulated monthly payments and the savings goal you have set.

What happens if you die? Your designated surviving beneficiary receives the *full amount* of your savings goal.

What happens if you cannot complete the 50 payments? If for any reason you cannot complete the payments, the amount you have paid in, plus accrued interest but *less a nominal amount for the cost of the life insurance,* is immediately available to you.

How and when are payments made? Payments may be made in person or by mail on or before the 5th, 15th, or 25th of each month.

What happens if payments are not made on time? Your insurance protection continues for 30 days.

Who pays the insurance premium? Bank of America pays the entire cost of insurance protection, *if you complete your account.*

What interest does your account earn? Regular Bank of America savings interest.

How much does the insurance cost? If you complete your account, it costs you nothing. In case of death, it costs you nothing. If you do *not* complete your account, you pay only the cost of the insurance up to the time you allow your insurance to lapse. Insurance cost is ½ of 1% per annum on the average balance of the unpaid portion of your savings goal.

Can funds be withdrawn before reaching the savings goal? Yes. Purchaser may withdraw all or any part of the account at any time. Naturally, such action cancels the insurance protection, and its cost is charged to the account.

Who can start a Life-Insured Savings Account? Any man, woman or child in good health under the age of 46 years. *{Except children under three months of age who cannot be insured.}*

Can husband and wife each have a Life-Insured Savings Account? Yes. *Every* qualified member of the family can and *should* have an account.

How do you open a Life-Insured Savings Account? In person, or complete the application below and mail it with your first payment to any branch of Bank of America.

Use pencil as ink will blot on this paper

WONDERFUL VACATION

Mr. and Mrs. Alonzo Ortega and Mr. and Mrs. Joseph Montes of Third Street motored to Southern California where they spent a glorious 5-day vacation. They traveled as far as possible in that time and regret they took all this time in life to see that wonderful part of the state. They took in many of the sights tourists are interested in and have many pictures to enjoy in days to come.

SERIOUSLY INJURED

Manuel Flores of Tenth Street was injured seriously while at work in the foundry. He is suffering a broken back due to some falling steel. Manuel is at the San Jose Hospital now.

WHERE ARE THEY

Another unfortunate deer hunter is Nick Lazzarina who roamed the Monterey hills last Sunday without success. Nick wonders where the deer are hiding.

AT THE GAME

Mary and Alvin Paniagua and Manuel Hidalgo Jr. enjoyed the game at Kezar Stadium Sunday between the Washington Redskins and the 49'ers. It was too bad they had to see the Redskins the victors of the game.

BIRTHDAY PARTY

On August 16 Frankie Saucedo was honored at a party held in observance of his seventh birthday.

SPANISH CLUB FETE

Many Spanish Clubs joined together on Sunday the 13th at Saratoga and had a grand old time. About a thousand persons attended but those from here were the Manuel Hidalgo family, Mr. and Mrs. Arribas and daughter Gloria, David Arribas and wife, the Gonzales Paniaguas, Mr. and Mrs. I. Paniagua and family of Fourteenth Street, Mr. and Mrs. Al Rodrigues, Paulie Pagan and Paul Paniagua.

TO TURLOCK

Mr. and Mrs. Joe Gonzales motored to Turlock Sunday to bring back their boys who were vacationing with their grandparents.

BIRTHDAY CELEBRATED

Tony Paniagua celebrated his birthday Monday night at his home on Fourteenth Street. All his brothers, sisters and their families and Tonys folks joined in for the celebration.

ALL READY

Frankie Scorpiniti feels much better nowadays that he is minus his "bad tonsils." "Now," says he, "I am ready for school, which commences in several more weeks."

GOOD LUCK, JOHN

John Leitch, veteran Hayward barber, mixes up his shaving lather for his customers at his new and larger quarters at 21571 East 14th Street. John has been in business in Hayward since 1922 when he had a shop in partnership with Bill Frakes in the old Grange building on B Street. Born in Pleasanton, John has been married, has one daughter and is now living with a sister, Mrs. Marion Zwissig, who has a dairy farm on the Niles Road. His chief hobbies are joy riding in his new car and playing the stock market (he's a heavy investor in bank stocks). Good luck at your new location, John.

TOUGH LUCK

Donald Hitchen is suffering from a sprained ankle caused at the baseball game last week when he was one of the players and was sliding into base for a score. Tough luck John.

AT SANTA CLARA

Mr. and Mrs. Manuel Hidalgo and Patsy and Bobbie spent an enjoyable day Sunday in Santa Clara.

DEER, DEER!

"Deer, deer, what can the matter be?" Isn't it disgusting to come home without a thing after hunting all day? That's exactly what Joe Seoane Jr. is thinking after he returned home Sunday evening from an all day hunt.

TO RESERVE CAMP

Joe Andrade and Paulie Pagan of Twelfath Street, Paul Paniagua of Fourteenth Street and Mr. Costa of Thirteenth Street, have reported to the National Air Guard Reserves in Santa Rosa for their two weeks' training.

IN NEW YORK

Mr. and Mrs. August Abreu are vacationing in New York and on August 23 will start home from Detroit where they will pick up their new car. They are expected home about September 1.

VACATION IN SUN

Phyllis and Donna Fine, daughters of Mr. and Mrs. Louis Fine, are spending a week's vacation with Mr. and Mrs. Andy Anderson and family of St. Mary's Avenue in San Leandro.

RECOVERING

Glad to know Freddie Margarido is recovering from his lanced toe caused by a nasty nail which just got in his way.

VISITING HERE

Betty and Ladine Watkins of Roseburg, Oregon, are spending a week's vacation with relatives here. (See that certain someone has taken up where he took off last year.)

BETROTHAL TOLD

Barbara Monte, daughter of Mr. and Mrs. John Monte of Eleventh Street, recently announced her engagement to Bud McKown of the Oakland Naval Supply Center. Congratulations Barbara.

RAVIOLI DINNER

Mr. and Mrs. Louis Fine had a busy week-end as they entertained at a ravioli dinner with all the trimmings to their guests who had a grand time. Invited were Mr. and Mrs. Eddie Blair and Eddie Jr. of San Leandro, Isabel Monte, Willie Wilson, Bud McKown of Oakland, Barbara Monte, Manuel Monte of Decoto, Betty and Lodina Watkins of Oregon. Phyllis Fine was presented with a kodak as it was her tenth birthday.

AT DAY CAMP

Mrs. Frank Margarido, girl scout leader, and her troop were at day camp from July 31 to August 4, at the Hayward Scout Cabin. The girls did lots of outdoor cooking and hiking. Everyone had a swell time, although a bit tired from the hikes.

SEEING THE SIGHTS

Mrs. George Bettencourt of the Masonic Home and Mrs. Mae Lewis of Hayward spent a week touring Los Angeles, Hollywood, including the movie stars homes at Beverly Hills, and Catalina Island. The ladies also enjoyed a trip on the glass bottom boat at the island.

TO MICHIGAN

Johnnie Soares and a friend from Alvarado are driving to Flint, Michigan, where Johnnie will pick up a new car and drive it back to his home on the Nursery Road. Pleasant trip, fellows.

NEW SCHOOL OPENING

According to District Superintendent L. Musick and Mr. Puffinbarger, both have been busy preparing books, desks, etc., for the new school to be opened soon. Mr. Musick also said grounds have been disced and leveled for the baseball fields and courts will be hard surfaced for volleyball and basketball.

NEW CUSTODIAN

Marion Delgado is now employed as a custodian at the new school on Whipple Road and will be employed as bus driver for the bus to be purchased in the near future.

J. M. FAIRFIELD TAKEN BY DEATH

Joseph M. Fairfield, 54, was found dead of a heart attack at his home near Centerville on the Centerville-Irvington Highway early Friday morning.

Mr. Fairfield had been ill the previous day and a neighbor, Mrs. Otto Scalf, had cared for him. When she returned Friday morning she found Mr. Fairfield dead.

He was the son of Mrs. Agnes Beauchamp of Escanaba, Michigan, but had resided in Centerville for many years.

A rosary was recited at the parlors of the Berge Mortuary in Irvington on Monday evening and the body was shipped to Escanaba the following day for funeral service and burial in the family plot.

ANNUAL PICNIC

The Mission Peak home of Mr. and Mrs. Stuart McClure and family last Sunday was a lively place with friends from all over this neck of the woods—San Francisco, Piedmont and up and down the bay — gathering to have their fourth annual Field Day with the McClures. Everyone enjoyed the swimming pool very much because of the hot weather and there was a picnic lunch and plenty of cold drinks. Everyone came dressed for fun and certainly had a very full day of it. The McClures will return to San Francisco where they make their home. This is vacation time for them now.

SAD NEWS

We were sorry to learn that Manuel Brown of Bryant Street was sent to San Francisco to the hospital where he had to have one of his eyes removed because of a serious infectious growth back of it. He is getting along as fine as possible at this writing and we only hope that he will soon be home and fit as usual.

AT REDMEN'S CONCLAVE

Mr. Raymond Dutra, his uncle Lee Lowry and Ray's young son, Arnold, are spending a few days here at the home of his sister, Mrs. Manuel Phillips and family. While here Mr. Dutra and Mr. Lowry are attending the Improved Order of Redmen Convention in San Jose. They are both members of the Mendota Tribe No. 270 of Lincoln, and Mr. Dutra was here to received his degree of Past Sachem (to you, junior past president of last year).

SPRUCING UP

Sidewalks are in evidence on the east side of the street in front of the old Nicholas building. The Rodrigues garage and porch are undergoing a coat of white paint. I saw Maralyn and Dorothy, young daughters of George and Mary, weilding a handy little paint brush apiece on Monday and those gals are like their folks, can do anything. Also Jay and Joe Souza are stuccoing their home on Ellsworth Street and Mr. Ober and his boys are on their roof taring and sanding it ready for the winter weather.

AT LAST

The Dan Hills have finally got started on that planned vacation, but not back east as they had expected, but to Orange Cove where they will spend two weeks with relatives. Dan, Rachael, DeWayne, James and David are the Hill family.

AT HOBERG'S

Danny Silva, who is on vacation from his job with the telephone company out of Palo Alto, expects to spend a few days at Hoberg's in Lake County. Abel Vargas will accompany him.

TO OPEN AGAIN

Mrs. Edith Smith, owner of the DeGuadalupe Inn here in town, but which has been closed since the passing of her husband, Tom Smith, was in town this past Saturday and tells us as soon as court probates etc. are over she will again open the doors.

AT SAN JOSE

Robert Lofton, I hear tell, is now employed at the Thrifty Drug Store in San Jose. Miss Cecelia Schneider is also employed in San Jose at the Gimenelli Flower Shop and is learning the trade. She is making her home there.

REAL BUSINESS

Two new gas pumps materialized in front of the Mission Garage this week, so now Bill Varner is really established in the garage business. He keeps the short wave radio on all the time for police calls, so he can be "Johnny on the spot" in case of accident, does repair work and gasoline business.

NEW PARENTS

So now two more of our young folks have become Mommie and Daddy. On Saturday morning at 5:56 a.m. little Patricia Ann Garcia arrived at the hospital weighing in at 6 pounds and 4 ounces. She is the first child of Mr. and Mrs. Theodore Garcia, the former Isabel Santos. I expect that you will be called Patsy.

SERIOUS OPERATION

Mrs. Ella Andrade underwent a serious goiter operation this past week in the San Jose Hospital. She was quite a sick gal, but is doing fine at this writing. She may be home this week.

TO MOVE TO POMONA

Miss Ann Untiedt spent last week at the Centerville home of her sister, Mrs. Arthur Kimber, in Mr. Kimber's absence. He is in Pomona establishing a branch of the poultry business for his father. Mrs. Kimber went there last week end and they will probably make their permanent home there in the near future.

BUSINESS BEING SOLD

We have been told and we hope we are not jumping the gun that Mrs. Ann Miller, who has been in the grocery business here in town for a couple of years, is selling out to Virginia and Johnnie Feleciano, who formerly helped to operate the grocery and meat market in Warm Springs.

HE'LL BE MISSED

Another one of the town pets belonging to Rose and Roscoe Whiteside was struck and killed almost instantly one morning very early this week, by a motorist who could not avoid the accident, as the dog, "Cookie," ran out into the main highway from the side of a building. He was a beautiful Doberman Pincher, very intelligent and very friendly, and all the youngsters in town will miss h imaswellashismastered-ondfhart him as well as his master and mistress.

Mr. and Mrs. Luther Cann of Stockton spent Sunday here at the home of her mother, Mrs. Florence Medeiros.

INSTITUTE HONORS NEW Y.L.I. DEPUTY

The members of St. Jude's Institute, Y.L.I., of Irvington, honored their newly appointed Institute Deputy Ruth Jergens of Hanna Institute, San Leandro, at a meeting held Tuesday evening at the I.O.O.F. Hall in Irvington.

President Gertrude Dutra presided and the group voted to sponsor a cake and pastry sale at the Leal Building at 9 a.m. on Saturday, September 16.

It was also announced that the meetings of the Study Circle would be resumed on September 26 with Nyla Connolly as chairman.

BOGUS CHECK ARTIST WORKING IN TOWNSHIP

Merchants of the township were warned this week by sheriff's deputies to be on the lookout for a check artist who has passed two bogus checks on Newark merchants.

The man, of Mexican descent, is between 45 and 50 years of age and has used the name Roy Nelson on both checks. The checks are drawn on the Centerville Branch of the Bank of America and signed with the fictitious name Frank Callis.

COMMUNITY CHEST FUNDS REQUESTED

At a meeting to be held in the Centerville Justice Court next Monday at 8 p.m., officers of Washington Township's 1950 Community Chest Drive will act upon fund requests which have been submitted by several township groups.

Among those which have submitted requests to Secretary Carmelita Freitas are: The Girl Scouts, Newark Youth Center, Associated Services, and Alvarado Mothers' Club. The Associated Services is an organization somewhat similar to the former U.S.O., but modified and operating on a limited budget. The Alvarado Mothers' Club is requesting funds to finance its summer recreation club.

Each individual group's request is based upon its expenditures for last year, and its plans for the coming year.

President of the Chest, Warren E. Gravestock, said the general meeting is open to the public. Business to be discussed includes accepting or modifying fund requests, setting the 1950 drive's budget and quotas, determining a date for commencing the drive, and outlining the campaign.

Also, Campaign Manager Stella Benbow will announce names of those she has selected to serve as community chairmen to facilitate the collection of contributions.

Last year's contributions to the Chest Fund totaled $6,300, surpassing the quota by $300.

MOTORIST FINED $200 IN NILES COURT

A fine of $200 or 30 days in jail was the punishment meted out to Sammy Nestor, 20, of Monterey by Judge E. A. Quaresma in Niles Justice Court last Friday upon his conviction on two traffic violation charges.

Nestor was charged with hit-and-run and driving on the wrong side of the road following an accident on July 31 at the highway junction near Warm Springs. His machine struck a car driven by Mrs. Hildegard Rice of Campbell as it was halted at a stop sign. A chase by witnesses to the crash resulted in Nestor's arrest at a Centerville restaurant a few minutes after the crash.

NEW UNIFORMS ORDERED

The Board of Trustees of Washington Union High School this week ordered sparkling new black and orange uniforms for the school's marching band.

The contract to supply the uniforms was awarded to Craddock & Company of Kansas City and it is hoped that the new outfits will arrive in time for the opening football game on September 29.

COUNTY BROCHURE PROMOTES TOWNSHIP

* * * * * * * * *

BOOKLET REVIEWS COMMUNITY'S MERITS

Washington Township gets its share of laurels in a 24-page brochure on Alameda County which is being published by the Board of Supervisors.

The attractive brochure is designed to interest the resident as well as the newcomer, and will be available to visitors at the 1950 California State Fair and next year's Alameda County Fair.

It describes the growth, present development, and potential of the county, and includes many interesting historical facts also about Washington Township's eight communities, stating: "If you want history and romance, Washington Township has it for you."

PREFER THIS AREA

The booklet has much to say about the southern end of Alameda County:

"The Padres fully explored all the area now within Alameda and Contra Costa Counties. They found no location more delightful than the area called today Washington Township where golden hills run down over rich alluvial soil to the silvery bay and where in all California, the climate is not more mild, with glorious sunshine aplenty and cool sea breezes to temper the warmth of summer."

Mission San Jose de Guadalupe was established June 11, 1797. "It prospered because it was in one of the richest areas of all California. At peak of prosperity, over 20,000 head of cattle grazed on its hills. To hear its famous orchestra of 30 Indian boys, the Governor of California came to a Fiesta at Mission San Jose."

COUNTY SEAT

"Back in 1853 the County of Alameda was created by an Act of the State Legislature," the brochure states. "A county seat had to be selected and the enterprising citizens of the community, known as Uniontown, sometimes referred to as New Haven, and officially recognized as Alvarado, was declared the county seat. America's oldest sugar beet refinery is located in Alvarado."

History associates Niles with the ancient Vallejo Mills and the early development of California railroads. The booklet describes Niles as the "Hub of the Township."

"Today," the booklet states, "Niles points with pride to its busy fruit cannery, tile industry, library, schools, and the many new homes. Niles is the home of the Township Register, a well edited weekly newspaper."

INDUSTRIAL DISTRICT

On a page devoted to Decoto the booklet pictures its industry, and informs us that Decoto boasts "the township's largest dairy, which is operated by the Zwissig family, and furnishes fresh milk for the metropolitan area."

"Newark, the industrial center, is still seeking sites for expansion every day. It is one of those fortunate communities that has industries of national importance, and residential developments that are attracting new settlers," according to the board.

One of the first industries in Newark was a salt works which dates back to 1852. "Today two of the nation's largest salt works operate there."

The brochure mentions John Horner, "the first American to locate in this area. Horner and bride came to Irvington in 1847. William Horner, the first white child born in Washington Township, made his advent in 1848, the year that gold was discovered."

MENTION MAPLE HALL

While still on the subject of Irvington, a reference to its old Maple Hall is made. "Young folks of a generation ago well recall the first hardwood floor where skating and dancing could be enjoyed in a modern atmosphere. It was in old Maple Hall in the heart of Irvington that the swankiest social events were held."

Centerville gets considerable mention. "Situated in the center of Washington Township, Centerville is surrounded by broad level acres of rich farm land, suitable to dairying, and the raising of fruit, vegetables and poultry. Centerville has several fruit and vegetable plants, a cannery, metal products company, modern creamery, and modern theater. Its broad main street is lined with modern business establishments."

MINERAL SPRINGS

Regarding Warm Springs the brochure says, "The oldest human habitation in all Alameda County was probably in the vicinity of the town of Warm Springs, so named because of the warm mineral springs situated a short distance from the present town."

"In 1852 Clement Columbet opened a health resort there, and it became famous not only in the state, but was widely known all over the country, even in Europe."

N. W. Armstrong, public relations officer for Alameda County, prepared the booklet under the supervision of board members, George A. Janssen, Chester Stanley, Clifford Wixson, Thomas E. Caldecott, and Chairman Harry Bartell.

NEW STREAMLINED CASCADE OF S.P. NOW IN SERVICE

The west's newest all-room sleeping car train was placed in operation Aug. 13 when Southern Pacific inagurated its new Cascade streamliner in daily service between San Francisco and Portland.

The new train is operating on a record-breaking night run of 16½ hours, cutting two hours off the schedule of the former Cascade, according to Fred E. Watson, the railroad's general passenger agent.

Thinking Things Over . . :

NO MAGIC PASSWORD

"What do you have to do to get your name in that paper anyway?" (meaning The Register) is a comment that I've heard quoted both directly and indirectly so many times now that I think it's about time we gave a little recognition to it.

There is no golden password needed to get your name into The Register. You don't have to belong to a special social group, sect, or race. As a matter of fact, there is no more democratic paper than The Register.

It's impossible—as you probably know—to call everybody for news. We rely upon our readers to either phone us their news, or to write it in to us. Most of our readers realize that we depend upon them to do this, and are exceedingly cooperative.

If you haven't seen your own name, or your friends' names, in the paper lately—could it be your fault?

WISHES ARE HORSES

Joe Jason of Centerville was attending a birthday dinner for his nine-year-old grandchild.

The boy looked speculatively at his granddad when he was told to make a wish while he blew out the candles on his birthday cake.

He blew, but only half the candles went out.

"Well, now you only get half your wish," said his mother.

The boy, still eyeing his grandfather speculatively, replied, "But what will I do with only half a pony?"

Now what would a grandfather do in a case like that?

A SLIGHT ERROR

A township business man was in a large gathering recently, when a man known in these parts for his hand-shaking and back-slapping propensities came up to him, and, turning to an attractive woman near the business man, said, "Oh, so this is your wife! You sure know how to pick 'em. Yes sir! You sure know how to pick 'em!"

There were a few moments of embarrassed silence.

The woman was not the B. M.'s wife. His wife was standing several yards away talking to someone else.

PREDICTIONS

A prediction of things to come—

It won't be long before at least six business establishments in Centerville will be changing locations.

The new county building on Fremont Avenue will eventually be the hub of a brand new business district on Fremont between Niles and Centerville. That area should be zoned for business now to take care of that eventuality.

REBEKAH NEWS

The regular meeting of Silver Star Rebekah Lodge will be held on Friday, September 1, at Odd Fellows Hall in Irvington. Grace Reinking will be chairman of the social hour.

During the evening a bazaar shower will be held in preparation for a bazaar to be given on October 5.

FIREMEN FETED BY NILES CHAMBER

Volunteer firemen and commissioners of the Niles Fire Department were feted yesterday evening at the annual barbecue sponsored by the Niles Chamber of Commerce. The affair was held in Solon's basement.

The menu of steak, corn, beans and trimmings was prepared by Vernon Ellsworth, A. M. Alves and Dr. T. C. Wilson.

Lode gold production of Amador County has been second only to that of Nevada County.

Spends Week in City

Mrs. Ann Ebright has returned to Niles after spending a week with her daughter, Mrs. E. M. Arnott, in San Francisco. While over there she had the pleasure of seeing a performance of "South Pacific," which—she said—wasn't as good, in her opinion, as "Rose Marie," which she had seen the week before.

Prior to her trip to San Francisco, Mrs. Ebright, with her daughter-in-law, Mrs. Edna Ebright, spent several days at Lake Tahoe.

Home from Hospital

William Trenouth of Irvington, who has been in San Jose Hospital for the past week, returned to his home this week where he is recuperating.

Say you saw it in The Register.

Their First

Mr. and Mrs. John Calderia, Niles, had a telephone call from their son, Sgt. John and Mrs. Calderia, that they are the proud parents of a baby boy. He weighed six pounds and two and one-half ounces at birth, and has been named John Edward Junior the Third. The couple now live in Fort Riley, Kansas. Mrs. Calderia is the former Madge Presley of Centerville.

Return from Northwest

Mr. Lester Whitaker, his mother Mrs. Genevieve Ting, and his daughter, Marilyn, have returned home after a very pleasant trip to the northwest. The weather was delightful, said Mr. Whitaker, who also added that they hated to come home. They went as far north as Victoria and Vancouver.

Clark-Cartwright Nuptials Saturday

Winding up a round of prenuptial events for Rosetta Clark, who will be married to Herbert Cartwright this Saturday at Chapel of the Chimes in Berkeley, Cora Perez gave the bride-elect a miscellaneous shower last Friday evening.

Most of the guests were former high school and college friends of Rosetta's. Those invited included Winnie Rogers, Jane Spear, Kathy Viveiros, Edna Lewis, Dorothy Shanks, Carolyn Vargas, Mary Torquemada, Fay Johnson and Betty Grau.

After the ceremony Saturday, a family dinner will be held, and the newlyweds will leave on a week's honeymoon to Oregon and Washington. They will return to Niles to make their home in a duplex now being completed on First Street.

A Perfect Vacation

Mr. and Mrs. Alfred Silva and son, David, of P. G. & E. station, and their guests, the Albert Silvas of Hayward, have returned home after spending one week of their vacation at a recreation camp at De Sabla where they enjoyed swimming, boating, hiking and the usual fun of a huge camp bonfire each evening where the children sponsored short programs and community singing.

Just to finish a perfect vacation the Alfred Silvas spent last Tuesday in San Francisco and Wednesday along the coast at Half Moon Bay fishing—but no fish.

Niles Girl is Married in Reno

Surprising her many friends in the township, Miss Katherine Bliss, daughter of Mr. and Mrs. William Bliss of Niles, eloped to Reno last Friday and was married to Bernard Meyer of San Jose.

The new Mrs. Meyer has been employed at the Citizens' Utilities office in Niles for several years. Her husband is employed at Hayward.

After a brief honeymoon the couple returned to Niles, and are presently looking for an apartment.

At Yosemite Lodge

Mrs. Flora Conner and her son, John, have been spending several days at Yosemite Lodge at Yosemite Park. They have been having a delightful time, according to word received by friends here.

Back from Vacation

William N. White returned to his home in Irvington this week from a vacation spent at Grand Canyon and Carlsbad Caverns in New Mexico.

Motor to Santa Cruz

Mr. and Mrs. John Jorgensen of Irvington were among the localites who motored to Santa Cruz to enjoy a beach outing last weekend.

RONNIE OLIVER AND BRIDE ON HONEYMOON AFTER LAST SUNDAY'S OAKLAND NUPTIALS

Now in the mister and missus status are Ronnie Oliver, son of Mrs. Helen Oliver of Niles, and the former Barbara Scrivani, daughter of Mr. and Mrs. Steve Scrivani of Oakland.

The couple exchanged vows at a two o'clock ceremony last Sunday at the Montclair Presbyterian Church.

Attending the couple were Betty Easter, maid of honor; and Milton Mohn of Niles, best man. Ushers were Wayne Davis and Victor Fracolli.

For her wedding gown the bride chose an ice-pink satin, styled with long train. She wore a finger-tip illusion veil, held in place with a coronet. She carried a prayer book, with orchid marker, and stephanotis.

The maid of honor was in ice-blue.

Mrs. Oliver selected a blue lace gown, with gray accessories for her son's wedding. With it she wore a baby-orchid corsage.

Mrs. Scrivani was in a champagne lace gown, and wore a begonia corsage.

A reception for about 150 of their friends was held at the Glenview Women's Club house following the ceremony, after which the young couple left on a week's honeymoon up the Redwood Highway. They will return to make their home in Oakland.

The bride, a graduate of Oakland High School, also attended San Jose State for three years, and then took a business college course. She is now employed at the Central Bank in Oakland.

The bridegroom, a graduate of Washington High, was graduated from San Jose State last June and will continue with his studies at San Jose this fall, working for his Master's degree in education.

Edna Lewis Betrothed To Bill Holloway

Another of the attractive trio of Lewis girls—daughters of Mr. and Mrs. L. L. Lewis of Niles—is headed altarwards. This time it is Edna, whose engagement to Bill Holloway was announced last week-end. It was about a year ago that her sister, Loretta, became Mrs. Albert Rosenga.

Edna received her diamond ring last Saturday evening, and the family celebrated at a dinner on Sunday. On Monday evening over fifteen of her friends gathered at a party to hear the happy news.

Bill, who was formerly employed at the Crane Garage, is now parts manager at Mancini Motors in Mountain View. An Oregonian, he was graduated from a high school in Oregon and spent two years as a student at the University of Oregon. He is the son of Mrs. Oscar Freestrom of Portland.

Edna is a graduate of Washington High, and is presently employed at the P. G. & E. office in Niles. The couple is planning a spring wedding.

Married in Reno

Married in Reno last Sunday were "Sonny" Bolline of Niles and Sarah Lewis of Waldorne, Arkansas.

The bride, who met her husband when he lived in Arkansas, arrived in California Saturday. Her husband is employed at Pacific States Steel.

The couple is living at the Twin Palms Court on the highway.

Sunday at Capitola

Mr. and Mrs. Martin Knudsen and Mr. and Mrs. Lawrence Millard of Irvington spent last Friday enjoying an outing at Capitola.

Attend Dinner Party

Mr. and Mrs. William White and Mr. and Mrs. R. J. Wright, all of Irvington, attended a dinner party in Oakland on Saturday evening.

Mrs. King's Daughter Arrives from Holland

There's always a silver lining in every dark cloud. Or so, at least, thinks Mrs. Edith King of Irvington. Because of a major operation that has kept her in Alameda Hospital for over a week, her daughter, Mrs. Albert Baptie of The Hague, Holland, flew over to this country to be with her, and to take care of her while she is convalescing at her apartment in Irvington.

Mrs. Baptie, who arrived about ten days ago, had not been to this country for a year. When asked about conditions in Holland, she replied, "Oh, there's talk of war everywhere. The Europeans, of course, are all looking to the United States to save them. War talk has not scared away the tourists, however. Holland, as other European countries, is full of American tourists, all of whom seem to be having a wonderful time."

Mrs. Baptie expects to remain here until October, when her husband will also come over here, and they will return to Holland together. He is connected with the Shell Company over there.

At 'South Pacific'

"I guess I'm old fashioned, but I liked 'Rose Marie better," said Mrs. Clarence Crane who, with her husband, saw a performance of "South Pacific" last Tuesday evening. The Cranes have season tickets. They have already seen "Chocolate Soldier," "Rose Marie" and "South Pacific"; and next Tuesday they will see that popular play "Lost in the Stars."

Observes 77th Birthday

Mrs. William Sylvia, who is living at "Home, Sweet Home" on the Niles-Hayward Highway, celebrated her 77th birthday with her daughters, Mrs. Clarence Crane and Mrs. H. Wayne Rice, at a birthday luncheon last Tuesday.

Return from Dardanelle

Mr. and Mrs. Jim Crawford and family of Kraftile and Mr. and Mrs. L. L. Fournier of San Leandro, have returned after a very pleasant two weeks spent at Dardanelle, in the mountains above Pinecrest.

Sunday Guests

Mrs. John McGovern, Mr. and Mrs. Norman MacDonald and Miss Jean Nelson, all of San Francisco, were Sunday guests at the home of Mrs. Catherine Brewer in Irvington.

To Pacific Grove

Mr. and Mrs. Hugh Henry of Irvington motored down to Pacific Grove last week-end to spend a couple of days relaxing by the Pacific.

Historians believe that Eric the Red and his Norsemen visited what is now Massachusetts in 1000.

Mrs. Pennington Ill

Mrs. Mosco Pennington of Irvington underwent surgery at Alameda Hospital on Wednesday. She is reported to be recuperating satisfactorily but will remain in the hospital for another week.

Up Redwood Highway

Mr. and Mrs. Ben Murphy of Niles, after a motor trip to southern California where they attended a wedding of a niece, are now motoring up the Redwood Highway for a vacation trip.

At Paradise Park

Mrs. E. D. Meeker and son, Jimmy, of Niles, are spending this week down at Paradise Park with the Elliott family of Pleasanton.

Visit in Irvington

L. W. Brewer and family of San Francisco visited in Irvington last Sunday at the home of his mother, Mrs. Willie Brewer.

The Territory of Oklahoma was opened to homesteaders on April 22, 1889, when more than 50,000 persons swarmed in to stake land claims.

STATE FAIR WILL OPEN SEPT. 31 FOR ELEVEN DAY RUN

With opening of California's greatest State Fair, August 31 through September 10, rapidly approaching, workmen are busy putting finishing touches to colorful exhibits, buildings and grounds.

The State Fair this year will present the greatest array of exhibits in its long history. Thirty-five of the state's 58 counties will have displays in the huge Agricultural Building, depicting California agriculture and industry on parade.

OVERSEAS EXHIBITS

Eight foreign nations will have exhibits in the same building, colorful displays in which photo murals of scenes of nations abroad, and some of the products manufactured in each, being featured.

Livestock barns in both Open and Junior Divisions will be filled to capacity with purebred cattle, sheep, swine and goats.

On the entertainment side of the picture will be concerts by 16 bands, circus acts, the Pageant of California Fashions, strolling troubadours and novelty acts, drum and bugle corps, puppet shows, a troupe of clowns, fireworks, and many other attractions.

FULL RACING PROGRAM

Horse racing will be held every week-day afternoon. Speedboat racing over the giant aquatic course in the race track infield will be held both Sundays during the Fair.

The famed Horse Show will have more horses than ever before while the night theatrical performances will feature "Frolics on Ice," starring Belita; the Andrews Sisters, Dick Haymes, and Bob Crosby.

NEEDY CHILDREN AID INCREASED

Nearly three times as many children in Alameda County were on the "aid to needy children" rolls during June, 1950, as there were in June, 1949, California Taxpayers' Association reported this week.

In June, 1950, there were 8,080 children in the county on the rolls for this kind of aid, 183 per cent more than the 2,858 listed for June, 1949.

Total aid paid in the county during June, 1950, reached $387,591. Aid paid during June, 1949, amounted to $142,523.

Average aid paid per child in the county during, June, 1950, was $47.97, compared with an average payment per child for June, 1949, of $49.87.

Throughout the state, more than twice as many children were on the "aid to needy children" lists during June, 1950, as there were in June, 1949.

At the LIBRARY

By ELAINE HOWE

England's turn to Socialism has disturbed many conservatives in America, and many more, who do not understand Socialism as England has adapted it, view the whole thing with considerable concern.

However one Anglo-American has quoted a famous British statesman of half a century ago thus: "We are now come, or coming fast, to a time when labor laws will be made by labor. Personally I can discern no cause for alarm in this prospect. . . ."

The statesman was Lord Randolph Churchill and the time 1892. Virginia Cowles, Vermont-born war correspondent now married to a British M. P., has chosen "No Cause for Alarm" as the title of an informal, easy, quite witty account of what actually is going on in England these days. It's written specially for Americans and will reward anyone who will take time to read it.

There is one whole section on the government—even I can understand her breakdown — the House of Commons, the ministers of the crown, House of Lords, Civil Service, the Crown, each has a chapter.

Then the Labor party comes in for scrutiny—also the Socialists and the Conservatives, with the policy of each party and the people who make it up.

Everyone knows about the National Health Plan — free wigs, teeth and eye-glasses. Her chapters on Social Security explain that in detail and shows what is happening to the rich and titled—the country people and the attitudes versus the city dwellers.

I am often impressed by the fact that advertising is not permitted on the British Broadcasting System—did you know that each radio owner is honor bound to send in $4 a year for a license—and does so without enforcement?

Some of the colorful and important personalities in English life come vividly to life here—Churchill and his heir-apparent-Eden, Lord Beaverbrook, Bevin and Bevan, and hosts of others.

You may not approve of British Socialism when you are through with this—but you'll have learned a lot about it—in a painless fashion.

BASIC COUNTY TAX

(Continued from page 1)

needed to finance the construction of the building. I believe it would be wiser to remove this allotment until we determine if we can arrive at some better method of finance. We also have an increased expense this year of carrying a heavy welfare load, which might be further reduced next year, and the cost of two branch county buildings," he concluded.

Bartell retaliated with the motion, which failed, to "Take all buildings out of the budget."

Lloyd Boling, chairman of the budget committee of the Alameda County Taxpayers Association, told the board it was unpatriotic to enter into a building program at the present time. He said that his group objected, not only to the Hall of Records, but to the new substations at Centerville and Hayward as well.

Supervisors Stanley and Janssen upheld the substations in discussion with other speakers and Stanley proposed that the board recess to consider the proposals of cutting out the stations.

The board members indicated that they would vote the budget of about $50,000,000 next Tuesday, August 29. The tax rate must be set September 1.

CENTERVILLE SCHOOL FACULTY COMPLETED

Registration of pupils for the kindergarten class at the Centerville Elementary School will be held Friday morning, September 1, from 9 a.m. to 12 noon in the kindergarten room.

In accordance with state law, to enroll in the kindergarten, students should be four years and six months of age or older as of September 1, 1950.

To be eligible for the first grade students should be five years and six months of age or older as of September 1, 1950. It is not necessary for first graders to register.

To facilitate registration parents should bring birth certificates or other evidence of birth date.

School will open for the 1950-51 school year on Tuesday, September 5. The school bus will operate the usual schedule and the school cafeteria will be open.

Thomas P. Maloney, district superintendent and principal, announced that the faculty will be:

Mrs. Mary S. Rodrigues, kindergarten; Miss May Davis, first grade and art consultant; Mrs. Eugenie Freeman, first grade; Miss Nancy Martin, second grade; Mrs. Edna Stubblefield, second grade; Mrs. Doris Graves, third grade and instrumental music; Mrs. Alberta Nunes, third grade; Miss Betty Ann Klant, fourth grade.

Miss Marjorie Hyner, fifth grade; Mrs. Veda Creech, sixth grade; Miss Margaret Wiles, seventh grade and instrumental music; Mrs. Alice Lambrecht, eighth grade; Mrs. Inez Silva, vocal music; Clarence George and A. P. Rose Jr., custodians; Mrs. Evelyn Peixotto and Mrs. Rose Furtado, cafeteria; Eddie Dutra, bus driver.

The members of the board of trustees are Judge Allen G. Norris, clerk; Ernest J. Sabina and Allan Walton.

FORMER EVA JASON WED IN LAS VEGAS

An announcement has been made by Mr. and Mrs. Joe Jason of Centerville that their daughter, Eva Agatha Jason, is now Mrs. Daniel B. Strobridge Jr.

The wedding took place at Las Vegas, Nevada, on August 14,

Mr. Strobridge, of Redlands, is connected with a steel manufacturing concern in Los Angeles, where the couple is now making their home.

The bride, a member of a prominent Centerville family, is a graduate of Washington High School, and has been employed at the Oakland Board of Education.

The bridegroom is the son of Mr. and Mrs. D. B. Strobridge of Redlands.

HIGH SCHOOL P.T.A. WILL RENEW MEETINGS NOV. 17

The regular monthly meetings of the Washington Union High School Parent-Teacher Association will be renewed on Thursday, November 17, at 8 p.m., it was announced this week by Mrs. M. E. Amaral, president.

Mrs. Amaral stated that the guest speaker for the meeting will be John Hoobyar from the Bureau of Vocational Rehabilitation. Refreshments will be served following the meeting.

GROWTH OF UNION DISTRICT TRACED

The history and growth of the Union Sanitary District was traced for the members of the Centerville Lions Club at their dinner meeting Tuesday evening by Harry Goodridge, engineer for the district.

Goodridge told the group that the district, which was formed in 1918 serving Centerville and Newark, has annexed Niles and will have a total of 44 miles of sewer lines in the township when the present construction job near Niles is completed.

In tracing the growth of the district he revealed that in 1940 there were but 124 lots subdivided throughout the entire county, as compared with 3,916 through the first eight months of this year.

He paid special tribute to Vernon Ellsworth and Jack Parry of Niles for their effort in helping to bring about the annexation of the area in Niles which includes Canyon Heights and the Ellsworth Orchard.

He told the club that the disposal plant soon to be constructed by the district would be sufficient in size to accommodate other sanitary districts in the township if they so desired.

He pointed out that the expansion had been accomplished at a minimum of expense to the taxpayers, citing that it is possible for the district to indebt itself more than $1,000,000 but the board has but a $260,000 indebtedness.

SPECIAL TELEPHONE SERVICE FOR DOCTORS

Mrs. Bernard Vail, dispatcher for the Township Cab Service, announced this week that she had inaugurated a telephone service for physicians of the township to aid local residents in reaching a doctor at any time of day or night.

By means of this system, local residents may phone Centerville 8-8498 in the event they are unable to locate a doctor at his office or home, and Mrs. Vail will either locate the doctor at the number he has posted with her or call a substitute doctor. All but two of the doctors of the township are participating in the service, Mrs. Vail said.

ALVISO BOARD GREETS NEW GRADE TEACHER

The Alviso School Board of Trustees met recently to welcome Miss Genevieve Curley as the new teacher of the school's fourth, fifth and sixth grades.

According to Clerk Joseph Orsetti, Miss Curley will replace Mrs. Marie Dutra, who has retired.

The new teacher was introduced by Principal James Nunes. The meeting, which was in the school auditorium, was attended by board members Orsetti, Frank Faria, Frank Duarte and their wives; Mrs. Irma Brown, cafeteria superintendent; Fred King, custodian; Arthur Soito, traffic patrolman, and Mrs. Oliver.

Orsetti also announced that the fencing of the school yard had been completed, and that the school roof is now being repaired.

VOTERS UNANIMOUS IN BOND APPROVAL

Not one person in Alavarado voted against the Alvarado Sanitary District's $30,000 bond issue at a special election Tuesday.

Election Judge Isabel Menezes announced that 100 percent of the 98 voters indicated that they approved the sanitary district's request for funds to repair and make additions to the disposal units and sewer mains in Alvarado.
